

M1 Series Slim Type LCD Surface Mount Bracket

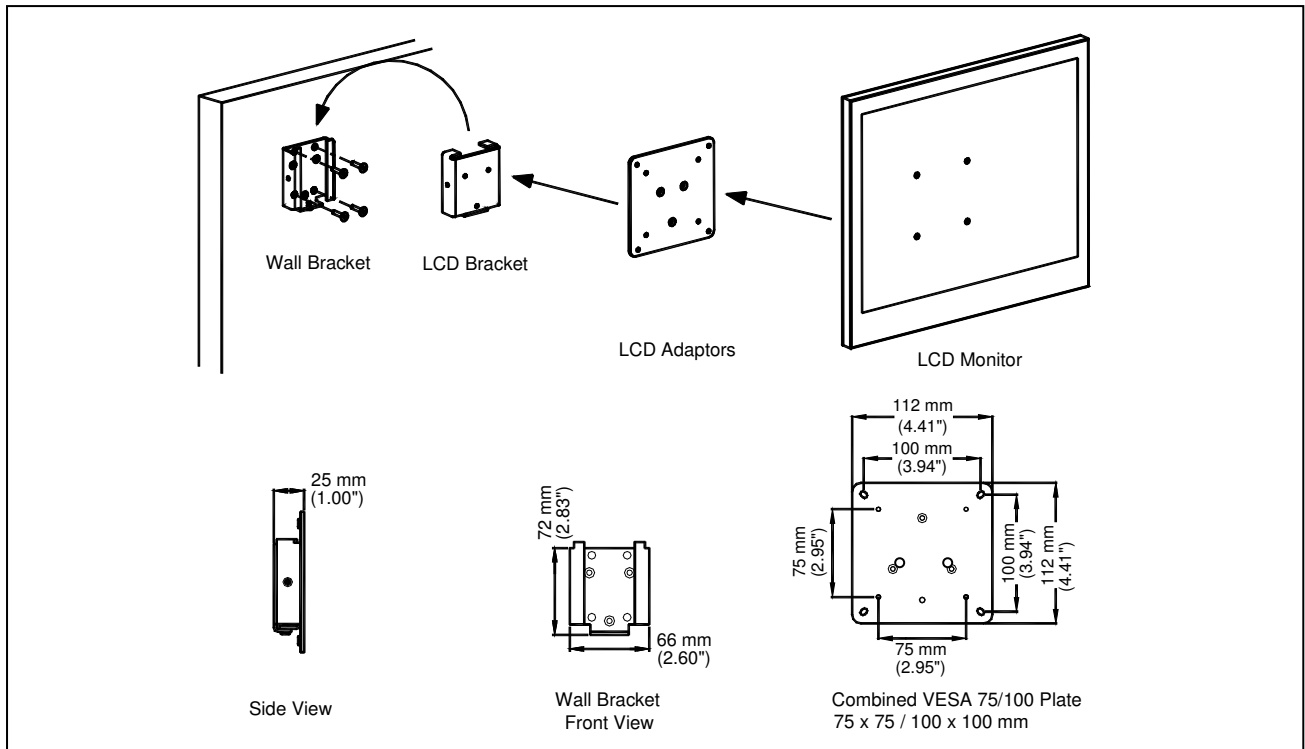

The M1 Series Surface Mount Bracket offers a simple, secure and stable way to attach your LCD panel to a wall or vertical surface. The extra slim bracket design allows your LCD panel to be mounted only 1 inch (25mm) away from the wall. Our Quick Release mounting design makes your installation easy and secure. The full steel construction provides strength and stability for panels weighing up to 44 lbs. (20kg). The combined VESA 75/100mm standard plate is included.
